FROM THE

CANYON RIM

My sympathy goes out to the family of Patricia Hearst. If she has actually been thrown in her lot with the Symbionese Liberation Army which abducted her, then her cruelty to her parents knows no bounds.

This is the price we ultimately pay for allowing revolution to be taught at Berkeley in one of the formerly great universities of this country.

Nobody really seems to know what the SLA wants.

I heard the minister father of one of the SLA members try to explain his daughter's position. She was killed in Saturday's shoot out with police in California and I know that the father's words were prompted largely by grief rather than reason.

He said she took to violence as a result of thwarted ideals. I can't equate ideals with SLA action. Miss Hearst herself was kidnapped in violence and later apparently has succumbed to the siren song of her captors.

I don't blame the father. I too would look for reasons to defend one of my children in the same circumstance.

As our population grows more dense and with instantaneous communication, the role of peer groups becomes more and more

influential on the lives of children and young adults. The role of the parent may eventually become negligible except in very early years of rearing.

But parents will continue to suffer just as the Hearsts and the Reverend Hall are suffering now because technology has not discovered a way to negate the love a normal parent bears for his child, whether or not the child turns out badly or well.

People with mobile telephone units may be surprised to learn that their conversations can be picked up quite easily by folks with radios equipped with high frequency receivers.

Talk around town is that these conversations get pretty juicy once in a while.

"I had to make my kids quit listening to it," one father declared.

Reports coming out of Russia recently indicate that the detente is a farce just like most of our agreements with the Soviet Union.

The Soviets are pushing their half of the arms race while the people who are charged with governing in this country are either pushing or making excuses for Watergate.

Latest contention of the far right is that Henry Kissinger is not only a communist spy but has been a secret member of the dreaded Red secret police.

Cry wolf long enough and loud enough when there is no wolf and no one will pay any attention when the wolf REALLY comes.

Irresponsibles have made it all but impossible to deal with those bent on destroying this country.

Three Locals Complete Work On Certificates

Three Canyon High School graduates will participate in completion ceremonies Thursday for Texas State Technical Institute's mid-continent campus.

James M. Lovelady, son of Mr. and Mrs. Harold S. Lovelady of Canyon, will receive a certificate in aircraft mechanics. Charles J. Huber, son of Mr. and Mrs. George E. Huber of Canyon, will receive a certificate in construction technology. Tim L. Payne, son of Mr. and Mrs. Tom Payne, will receive a certificate in automotive technology.

State Sen. Max Sherman of Amarillo will be guest speaker for the ceremonies, scheduled at 8 p.m. Thursday at the Villa Inn in Amarillo.

City Approves Electrical Rates

Canyon city commissioners spent only 15 minutes on their agenda Monday night as they passed new rates for electrical inspections in the city, okayed the partial paving of an alley and heard a brief report on the summer recreation program.

New rates recommended by the Canyon Electrical Board were approved, rates which would replace the current \$1.50 per inspection rate now in force.

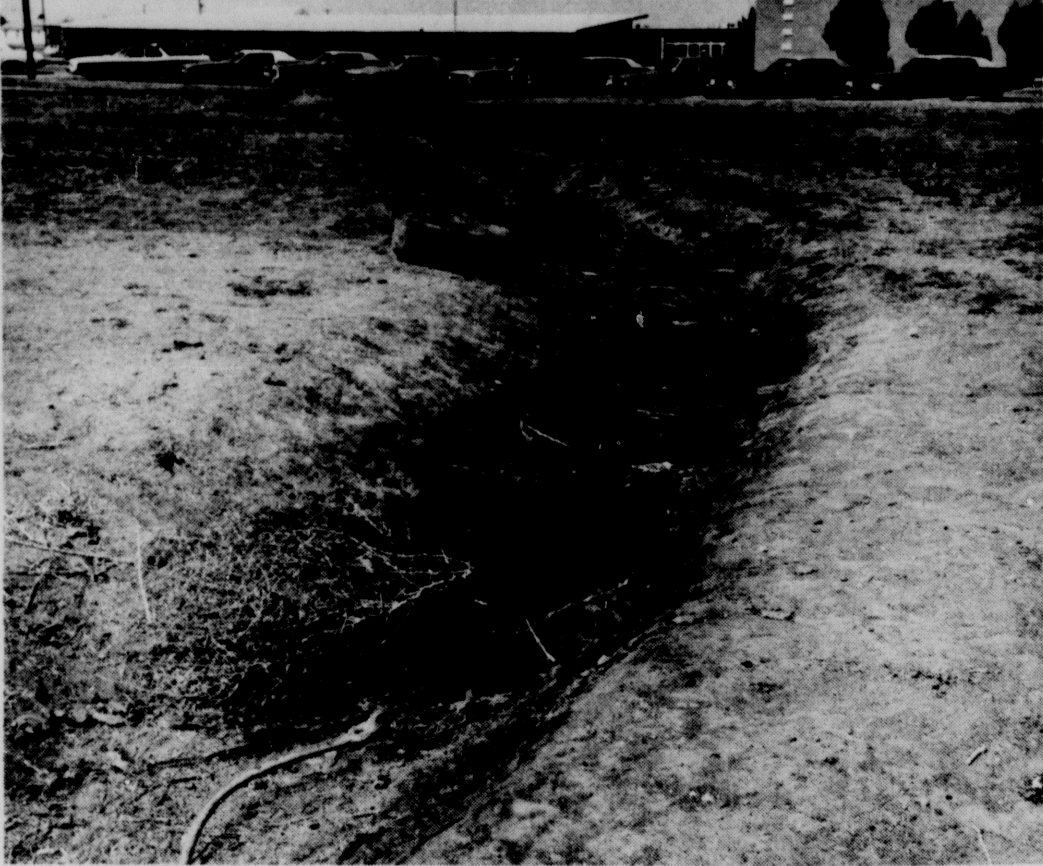

Code Enforcement Officer Jerry Lehnick said Canyon is one of a few cities in the Panhandle which continues to charge a set fee rather than varied rates.

With abstentions from H. R. Fulton and Willis Harrison, commissioners okayed an alley paving project for the First United Methodist Church.

Dr. A. J. Luquette, supervisor of the summer recreation program, outlined briefly those events scheduled for the summer.

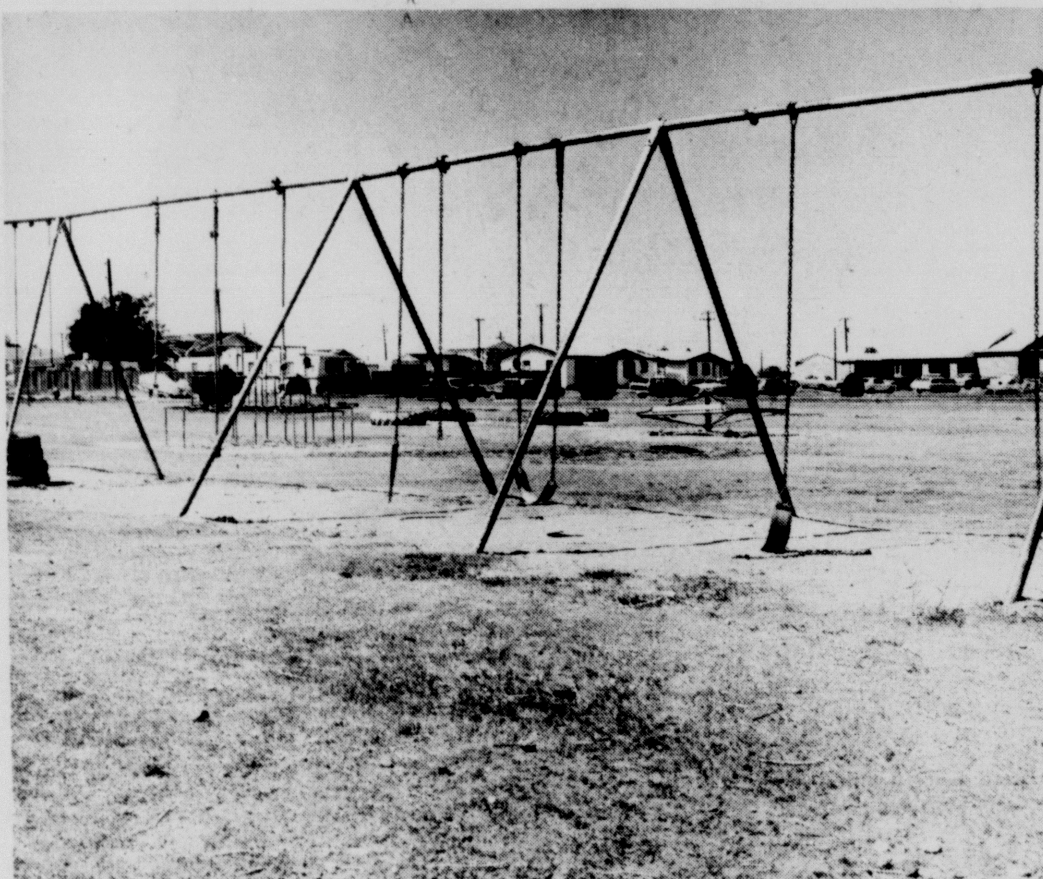

Registration will be June 3 for the many activities. Registration fee of \$5 will be charged. The city provides \$2500 to help finance the program for Canyon youths.

Next commission meeting will be held at 7 p.m. June 4 at which time commissioners will canvass the vote from the special city election to be held on that day.

Playground Improvement Is Project Here

PROJECT PLAYGROUND is in its early phases of planning and final outlines for the project were adopted at a recent meeting for the Rex Reeves Parent-Teacher Association. The playground improvement project is being sponsored jointly by the PTA and Canyon Study Club and will involve a possible footbridge across the lengthy drainage ditch on the school's playground as well as repair to well-used swings, tumbling and climbing equipment, and merry-go-rounds. Several new pieces of equipment are being planned for improving the playground and with the help of county commissioners in moving dirt, and local civic groups aiding in construction the playgrounds at Rex Reeves Elementary School are expected to be renewed and colorful for students when school sessions resume in the fall.

New Recruit Processing In Volunteer Army

Recent concern expressed over national news media by various government officials concerning the quality and quantity of personnel coming into the U.S. Army in its move to an all-volunteer concept is unfounded, an Army lieutenant colonel who is directly involved with in-processing of new recruits said this week.

Lt. Col. James W. Hanks, a former Canyon resident who has returned to pursue graduate level work at West Texas State University, said statistics indicate the concern that the Army may consist of only minority groups led by an elite corps of officers is not realistic.

Hanks, who is in charge of all Army reception stations in the United States, said he is optimistic about the Army's efforts to retain an all-volunteer force.

Hanks said the Army operates seven reception centers, to which recruits go for their first orientation into the Army.

Museum Will Not Build Basement

The Panhandle Plains Historical Museum will not get a basement-level room connecting the Museum with the old library building according to Dr. James Hanson, curator at the museum. The decision was made at an executive committee meeting Tuesday night.

Hanson stated that the bids on the proposals were too high. The museum had approximately \$75,000 and the lowest bid was \$114,252.

A second proposal to build a side walk connecting the two buildings was also rejected.

Hanson stated that he did not know how long it would be until the museum again attempted some form of connection between the two buildings. He said "we have not dropped the idea."

Hanson said that the available money would probably be used in the remodeling of the old library building, now an annex of the museum.

Changing Of Elderly Role Eyed Through Grant

Over \$4000 has been granted to West Texas State University and the Amarillo Senior Citizens Association for a series of 12 sessions analyzing the changing role of the Panhandle's senior citizens.

Funded by the Texas Committee for the Humanities and Public Policy, the WTSU proposal is entitled "The Senior Citizen and Government: Changing Population Patterns and the Effects on the Panhandle." The state theme addressed by the proposed activities is "Government and the Individual in Texas: A Humanistic Inquiry into How Individuals and Groups Influence Political Life."

WTSU history professor Duane Guy, the project director, said the project was formulated from the fact that the median age of many Panhandle counties was far beyond the Texas average of 26.5 years due to the loss of young people to larger metropolitan areas.

"If this trend continues, and all indicators show it will," Guy noted, "it will have a significant influence on the political, economic and social make-up of the Panhandle."

Guy said that it is hoped the project will identify the different and shared value standards and common human concerns of the senior citizens and younger generations.

In an effort to help the senior citizen respond to the challenges and responsibilities facing him, he said, the project should increase awareness of the historical perspective of present public policy issues, the unique voting power of senior citizens to effect the future of the Panhandle, and the responsibility of the senior citizens to provide for a future which draws upon the practical application of their wisdom and traditions.

The project, open to the public, begins September 19 with an in-

Tom Payne "Top Citizen"

By REBA RAEF
GREETINGS FROM UMBARGER. The Umbarger Community Association met last Sunday afternoon in the Community Building. Tom Payne was presented the "Citizen of the Year" award. In presenting the award, Jack Brandt cited Tom, for his untiring work in the affairs of the community. Our congratulations to Tom.

Three new directors were elected to replace the out-going directors, Bernard Hartman, John Wieck and Paul Ferguson. The newly elected directors are Jim Skarke, Earnest Stocker and Lewie Raef.

The Community Association is planning to sponsor adult education classes this Fall, if enough people are interested. There are many courses available, including interior design, flower arranging, cake decorating, furniture refinishing, upholstery, decoupage, gardening, beginning Spanish, and many more. Anyone who might be interested in any of these courses may call the Tom Payne's at 499-2825, or you may call me at 499-2164.

Plans were also made for a community picnic, the time and place to be announced later. The next meeting will be held in July.

TWO OF OUR grandchildren, Scott and Shanna Lyn Raef, are undergoing a series of rabies shots. They were visiting the Willie Artho family in Dalhart last Sunday and Shanna was petting the dog, when the dog attacked her and when Scott came to her rescue, the dog attacked him and he had to have several

stitches taken in his face. Shanna was not bitten, just scratched real good. We wish them a speedy recovery.

MR. AND MRS. Fred Begert, of Canyon and Mrs. Ben Buecker went to San Marcos last week to attend graduation ceremonies for Bernard Buecker. He was graduated from Southwest Texas University, in San Marcos. Bernard has been accepted as a student at the University of Texas School of Law. Our congratulations to Bernard.

THE MEMBERS OF the "Birthday Club" gathered at the home of Marie Irlbeck last week to help Marie celebrate her birthday. The highlight of the party was when Frances Grotegut called to wish her a "Happy Birthday." Each guest talked to Frances for a minute. Just before the party ended, Mrs. Aline Lindemann suggested that the party guests offer a silent prayer, that Frances would be home for the next party.

Frances called me on Monday to tell me about the party given for the patients at the convalescent home by the Khiva Temple Klowns. She said that each patient was given animals, made from balloons by the clowns. Refreshments of coffee and cookies were served. We'll be glad when Frances comes home, as we miss her.

We did not know that there was such a big manufacturing plant in this area. We had dinner in Pampa before returning home.

SOME FIFTY C.Y.O. members attended the Catholic Youth Council meeting held in Umbarger last Sunday and hosted by St. Mary's C.Y.O. At the close of the meeting, refreshments were served by the local group.

MRS. JOHN A. Wieck of our community headed up the local drive here for the American Cancer Society with a resulting total of \$165 being collected. Aiding Mrs. Wieck with their donations were Anton Handing, Vincent Friemel, Frances Grotegut, William P. Janssen, Robert E. O'Donald, Mrs. Marion W. Hicks, Mrs. A. R. Friemel, Wm. "We'll Rebuild It" Say Organ Workmen

The magnificent Estey Pipe Organ of the First Presbyterian Church of Canyon was disassembled in two days by two workmen from Oklahoma City and is presently in disarray in fellowship hall of the new church building at 9th Avenue and 19th Street in Canyon.

The workmen, Billy Moore and Ralph Baugus, are with the B.L. McCrary Pipe Organ firm of Oklahoma City and say that "they'll have the organ back in operation at the new church in about 3-4 weeks."

Moore said that the organ has a total of 820 pipes in its 15 sets of pipes and each must be rebuilt into the new organ chamber room, just back of the pulpit at the new church.

The Estey Organ was rebuilt about 10 years ago by the same firm, according to Moore, who estimated that replacing the current organ with a new pipe organ today would cost about \$35,-

000. Moore stated that the organ had two manual keyboards, a pedal keyboard, and the 15 sets of pipes with a complete set of chimes.

"An electronic organ just can't compare to the true pipe organ," he said. When complete reassembly is through, the completion of the job will be to tune-tone and regulate the organ.

"We are also adding two more sets of pipes for trumpet and vox celeste," related Moore.

Tuning, repairing, rebuilding and selling pipe organs is the business in which Moore travels throughout the Midwest, Texas, Arkansas and Oklahoma. Several years back he was the head workman for renovating and moving a similar pipe organ at the new Christian Church in Amarillo and also installed a pipe organ at the home of Mary Ruth McCulley, university instructor, some years back.

Johnsons Attend Optimist Board Meet In Tyler

Mr. and Mrs. Jim Johnson, McCormick Road, recently attended the North Texas District of Optimist International Quarterly Board Meeting held in Tyler. Mr. Johnson is this year's Lieutenant Governor of Zone 1 which covers the entire Texas Panhandle area.

While in the Tyler area, the Johnsons visited with relatives, Mr. and Mrs. Arnold Cohagen of Overton and Mr. and Mrs. Cleo Norwood of Diana.

The Johnsons are very active in service club work. Besides helping her husband with his Optimist work, Betty is active in Alpha Epsilon Chi of Beta Sigma Phi and was recently elected to serve as president for the coming year. They have two children. Kim is a junior at Canyon High School and Gemma is a third grade student at Gene Howe Elementary.

ORGAN MOVING for the First Presbyterian Church of Canyon is underway with Ralph Baugus, left, and Billy Moore in charge of the operation. The two workmen are from

the B.L. McCrary Pipe Organ firm in Oklahoma City. The church pipe organ was moved to the new church building this week and is presently being re-assembled by the two.

Absentee Voting Still Underway

Absentee balloting for the June 4 special city election continues at city hall until Saturday, according to City Clerk Bob Moore.

Moore said he has received about 5 ballots through Tuesday afternoon. Voters will go to the polls on June 4 to decide whether they want city commissioners to build a new municipal building for the city.

New Officers For Historical Society

New officers of the Panhandle Plains Historical Society are Charles R. Woodburn of Amarillo, president; Joe Pool of Amarillo, first vice president; Boone McClure of Canyon, second vice president; James Hanson of Canyon, secretary-treasurer; Mrs. S. B. Whittenburg of Lake Tanglewood, recording secretary. These officers were elected at the annual meeting of the society in May.

Members of the executive committee are Woodburn, Pool, McClure, Lloyd I. Watkins of Canyon and president of WTSU, Grady Hazlewood of Austin for two years; Virgil Patterson of Amarillo for two years; Levi W. Cole of Canyon for one year; Don Crocker of Tulsa for one year.

Newly elected members of the executive committee are James Kone of Amarillo and Bill Griggs of Amarillo. They will both serve for three years.

from nearby Lampasas. Bulldozers and troops were dispatched from the fort's 62nd Engineer Battalion to battle a fire burning out of control near the town. The engineers cut a fire lane on a ranch and helped halt the blaze and prevent further damage.

Spec. Murrell is the son of Mr. and Mrs. Oliver C. Murrell, 1908 Seventh Ave. He is currently assigned as a truck driver in the battalion's Company C.

Roller-Hughes Art On Exhibit

Paintings, drawings and prints by Gary Roller and Martha Hughes will be exhibited Saturday and Sunday, May 25-26, at the Amarillo Art Center Shop, 2200 S. Van Buren, in Amarillo.

Miss Hughes of Canyon has studied with Ramon Froman, Lee Simpson and Clarence Kincaid, Jr. She was winner of numerous awards for her paintings while in high school and attended a year of college at Arizona State University on a Scholastic Magazines art scholarship, completing her BFA at the University of Texas in Austin in 1973. While at Austin, she decorated businesses and homes with supergraphics and was winner of two Austin Advertising Club ADDY Awards in 1972.

Roller, a 23-year-old native of Amarillo, has studied art with Ben Konis in Amarillo and also lived and studied with Howard Fox of Tesuque, New Mexico. He is well known for his pastel portraits.

The public is invited to the exhibit.

district for its high academic standing and pointed out that only a handful of isolated problems exist in the system.

"When you compare with most school districts, Canyon has a much above-average system," he said.

He said the school system is strong partially due to strong community support.

An Amarillo architect shot down school board members' plans to convert a portion of the old vocational agriculture building on the high school campus into dressing rooms for track and football.

The architect, B. R. Cantrell, told board members it would cost almost as much to convert the building for that use as it would to build a new building.

"I think you just shot us out of the saddle," said Board President Tom Keeling.

High School Principal John Sommer said he plans to use the building for health classes and to expand the facilities for the teaching of woodworking and plastics.

Earl H. Wischer, representing Triple Bar Company of San Antonio, offered the board a 10½ acre site at the intersection of the Claude cut-off and Washington Street for a future school.

Wischer said his firm bought

Rotary. . .

more than half a million dollars to city coffers.

He noted that if the city complex is not built now, "we'll sit here for five or 10 years and pay double or triple."

Bryan also said the city has not raised ad valorem taxes since 1957 and actually lowered taxes in 1968 when the city sales tax was instituted.

"We still won't raise taxes to build this building," he said.

Louder showed color slides of the proposed complex, which will include a fire station, police station, library and city hall facilities all under one roof, and explained financing for the structure.

He noted that water and sewer and general fund reserves coupled with federal revenue sharing money will pay the bulk of the construction bill. An additional nearly \$200,000 will have to be financed on a short-term basis, he said.

The use of reserves from the water and sewer fund will not hamper the maintenance of water and sewer systems, he said, and a healthy unencumbered reserve will remain in the funds.

Canyon citizens will vote on the issue on June 4 at the community center. The issue on that day will be whether local residents want the city commission to construct the building. It will not be a bond issue vote.

the property as an investment and have been considering developing the land.

Board members responded favorably to the proposal but asked Wischer for a 10-year option on the land rather than a proposed five-year option.

No action was taken on accepting the property.

Board members voted to purchase workmen's compensation insurance from a commercial company rather than through the Texas Association of School Boards following a presentation by Carey Magness.

Magness said the school district must supply workmen's compensation insurance for all employees as of July 1, under a new Texas law.

The board also approved a contract with Honeywell Corporation for a service and maintenance agreement on all heating and air conditioning equipment in the school system.

The annual premium for the contract will be about \$35,000.

Jacobs said it is anticipated the service contract will save the school district between \$56,000 and \$71,000 annually.

mer pasture, but that won't be available until early July.

"The biggest help would be rain," he said. "The rangeland is terribly short and dry and it's been grazed close."

The lack of good wheat pasture for cattle grazing has been a major setback to the cow-calf operators, he said.

Adequate wheat growth did not come during the winter months and even the usual influx of cattle into the county to graze was reduced to almost a standstill.

Many farmers have already abandoned their wheat this spring and others are expected to do so following harvest.

Good rains could change the situation quickly for the pastureland, though, Brazzil said.

Zimmerman, outstanding woodwind player; David Finke, outstanding percussion player; and John King, outstanding brass player.

Orders For Coins Due First From Chamber Members

Canyon Chamber of Commerce members will have the first chance to buy sets or single commemorative coins to be issued in late June by the chamber.

John Childs, president of the chamber, said 25 serial numbered sets containing a gold-silver, silver and antique bronze numbered medal will be

minted. In addition 500 bronze coins will be numbered and minted.

Chamber members have received a letter from Childs explaining the commemorative coins and giving them the first opportunity to purchase the coins through order blanks.

The coins will go on sale to the

general public after June 19. The coins will be available by June 29, when three medal sets will be auctioned off to the highest bidder during the Canyon Days Celebration program.

Cowboy artist Jim Ward designed the coins, with one side depicting the well-known

lighthouse formation in Palo Duro Canyon, and the other showing a cowboy atop a horse following a longhorn steer.

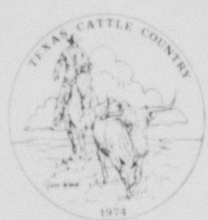

The issuance of the coins is expected to continue for 10 years and is part of the nation-wide bicentennial effort to celebrate the nation's 200th birthday.

OEA Has Picnic

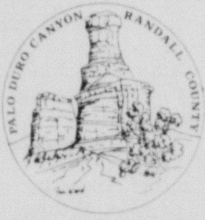

Twenty-four Office Education Association students and their guests attended a picnic at Thompson Park this week end. Following the picnic they went to Wonderland Park. Sponsors for the outing were Mrs. Georgia Lee and Ms. Janet Sargent.

Visitin' And Readin'

Joe and Scott Smith had a short fishing trip one week end recently and had better luck with their rods and reels than did Charles and Nora Gerald on their recent fishing venture in Missouri where they primarily caught some rain. (Wish they had put a dab of that rain in their back pocket to bring back to the dry homeland here at Canyon.)

County Names Several Roads

Randall County commissioners named four roads in rural areas south of Canyon during their regular session Monday.

At the request of R. B. Gist Jr. and Canyon Fire Chief Jack Jennings, the commissioners named the road which runs west near the Tierra Blanca Creek south of Canyon "Tierra Blanca Drive." The next road south will be "Dreamland Drive," the next one will be "Pleasantview," and the next one will be "Ralph Road."

Commissioners will also work on naming of other county roads particularly in the southern portion of the county.

In other business, commissioners heard a progress report from Amarillo Architect Art Vaughan on plans for construction of a new South Amarillo county courthouse annex.

Vaughan said bids could be sought around July 7 with completion of the project set for early December.

The \$300,000 annex will be located on a seven-acre plot at the Canyon expressway and Georgia Street in Amarillo.

Commissioners set their annual board of equalization meeting for July 22.

They also approved tentatively the purchase of new type terminal input machines for the tax office's operation with the West Texas State University computer center. The center is currently handling many tax office chores on computer.

They accepted a State Highway Department proposal to build an eastern extension on Hunsley Road from U.S. 87 to Washington Street. And, they passed a resolution backing local efforts in conjunction with the country's bicentennial celebration.

Priscilla Club Conducts Meeting

Mrs. J. D. Barker was hostess to the 1925 Bridge Club Wednesday afternoon and decorated her home with spring floral arrangements. A dessert course with coffee and tea were served to those attending.

Present were Mesdames Virginia Allen, T. V. Crounse, J. M. Daugherty, Glen Dowlen, Tom Knighton, Iverson Lenke, Milton Morris, A. H. Prichard, Jewell Hill, Lonnie Byars, Joe Gibson and club guest, Mrs. Larry Holman.

After hearing glowing reports of recent catches of fish at Lake Meredith, the E. E. Millers and son, Kevin, their daughter, Lois Neelley, and son, Kerry Rogers of Amarillo, and the Miller's eldest son, Carl Miller and wife, Lorena, and daughter, Carolyn, spent a week end at the lake along with Marvin D. Long, a brother of Mrs. Carl Miller.

The group camped out overnight and spent the day fishing from bankside and from the boat but their luck on the hook was only three little ones, the type you would throw back and wait until next time to put them on your stringer.

Read where Northwest Texas Hospital School of Nursing in Amarillo graduated 80 students in a ceremony at Caprock High School auditorium in Amarillo last Thursday evening. Among the graduates listed were Debbie Gunter of Canyon and Jennifer Pickard of 1016 Hillcrest.

Referring back to the Canyon News issue Thursday, January 17, 1974 you may remember the news story by Sandy Greiner about a dog named Canabus who had made an unusual friendship with an unnamed horse and wouldn't leave the horse's side after it died. The mare and dog both belonged to the Tony T. Burrus family, northeast of Canyon, and the Burruses this week related by telephone that the dog "Canabus has now taken up with some new friends — just horses — who are in a pasture adjacent to the Burrus farm. Canabus only comes back here on an occasional visit now."

Private First Class and Mrs. C. L. Miller are presently spending a 30 day leave in Canyon with their parents, the Lake Millers and the Wayne Powers, and with C. L.'s grandmother, Gladys Campbell. C. L. will be going to Germany in early June and his wife will remain in Canyon until she can join him in Germany.

Lydia Matsler's son, Myron, was here recently to visit and assist with the grand opening of her other son's expanded facilities of his new trailer and motor home business, "D and M Sales" of Amarillo which is operated by Lydia's son, Gerald.

Margaret Logan with the Retired Senior Volunteer Program (RSVP) relates that the new Canyon Senior Citizen's Group will be entertained by RSVP volunteer members from Amarillo Thursday evening at a pot luck supper at 7 p.m. in the Canyon Community Center.

Martha Hughes Has Unusual Art Studio Doubling As Home

By LORENA MILLER

White picketing frames an unusual artist's studio and home for Miss Martha Hughes of Canyon at 104 North 18th Street, just south of the Santa Fe Railroad.

The little house which includes a sitting room filled with artist's paraphernalia and many finished and semi-finished works also has a small kitchen, bath, and dining area for the daughter of Mr. and Mrs. Jack T. Hughes of Canyon.

"Dad bought this little building for \$25 a few years ago," said Miss Hughes. "He didn't know then what he would do with it, and it has taken a lot of his energy getting it into shape."

Hughes is instructor of archeology at West Texas State University and Martha's mother, Pollyanna Hughes, teaches history at Amarillo College. She has a younger brother, David, who is presently doing graduate work at the University of Arkansas in Fayetteville.

Her studio which is situated in a yellow with orange and white shutters was decorated inside by Miss Hughes with the help of her

mother and father. It has an unusual antique styled kitchen safe which was gained at an auction and repainted in a bright yellow to accent the room which has been paneled.

Along with her own artwork, Miss Hughes has accented her living area with a special decoupage photograph of her father and his mother which was made by her grandmother, Mrs. Joseph E. Hughes of Dallas.

Miss Hughes, who graduated from Canyon High School in 1967, learned her first art while a junior high student here under the instruction of Mrs. Brown in seventh grade. She continued studying art in junior high and high school under the direction of Mrs. Charlotte Brantley.

"Mrs. Brantley would sometimes let myself and Mary Ann Frank get a touch of the real thing when she let us take our class period and go paint outdoors with the easel and wind blowing by," stated Miss Hughes, who was a National Honor Society student in high school days.

"Mary Ann is the daughter of Mr. and Mrs. Joe Frank of Canyon," commented Miss Hughes. "She has just gotten her degree from the San Francisco Art Institute and is living in Austin now."

"I am just now getting to put to use my art training," she said. "While you are in college studying art it is a lot of experimenting and getting the proper depth and stuff which it takes for art—but it takes awhile then to really build up to be an artist anyway."

Miss Hughes received an art scholarship from Scholastic Magazine and spent her first year, after high school, studying at Arizona State University in Tempe, Ariz. She has been at the University of Texas in Austin for the past few years and earned her Bachelor in Fine Arts degree

there.

In addition to her paintings, Miss Hughes spends many hours framing her artwork in original frames. For the past month she has been involved in portrait painting at the Amarillo Art Center Shop and will conduct a show

there May 25-26 with co-artist, Gary Roller, a portraitist. The Amarillo Art Center Shop is located on the third floor and will be open during regular business hours on the 25th and 26th from

1-5 p.m. for the special showing of their work. The building is located at 2200 South Van Buren in Amarillo.

During her studies of art, Martha Hughes has studied under Lee Simpson, Raymond Froman and Clarence Kincaid, Jr.

"I like all types of art and think that print-making is my favorite medium," she said.

Back in Canyon since last October, Miss Hughes has "painted butterflies in the bath

at the Joe Batson home in Amarillo and did some supergraphics at the Amarillo home of Patsy and W.D. Campbell."

The week end of May 18-19, Miss Hughes and her mother, Pollyanna, had several art projects exhibited at the Square House Museum in Panhandle during their Arts and Crafts Show there. Miss Hughes also set up to contract portraits at the celebration site in Panhandle.

Funding Of Community Projects Planned At Heritage Club Meet

Ways and means for funding various community projects were the main topics of business at a meeting of the Heritage Woman's Club Monday evening in the home of Mrs. Reggie Reeves.

The club voted to have their Talent Show again this year and will name it "Kid Power." Committee chairman will be Mrs. Phil Pennington. Working on the committee will be Mrs. Carl Hollabaugh, recruitment chairman; Mrs. Ronnie Gordon, decorations; Mrs. Gene Crowder, publicity; Mrs. Jack Tillinghast, general chairman; and Mrs. Wayne Ray, ticket sales.

The ways and means report by Mrs. Ronald Thomason also included participation in the Halloween carnival, a raffle basket project and a party hose sale. The report and plans were adopted by the club.

Heading the list of community projects to benefit by the efforts of Heritage Woman's Club is a portable electric defibrillator to be given for use at Nebett Memorial Hospital. It was reported that the defibrillator

will cost a large sum and the project may require two years for completion. The defibrillator unit is to cause reactive heartbeats in emergency situations.

Other community projects of the club will be continued support of the Texas Federation of Women's Clubs scholarship projects, the state clubhouse, the Canyon City Library, UNICEF, Girlstown, Panhandle Zoological Gardens and a new Community Emergency Relief Fund. The fund will be a yearly project of the club with funds set aside to aid local families when tragedy strikes.

A major concern for the club will be the continuation and growth of the Les Amies Junior-Ette Study Club for high school age girls which is co-sponsored by the Heritage Woman's and Canyon Study Club.

During the business meeting, constitution and by-law changes were given by Mrs. Gene Crowder including a change of officer terms from a single to two-year terms. The membership committee report by Mrs. Phil Pennington outlined goals for the year and Mrs. Olan Lehman gave a budget report.

The entertainment committee report by Mrs. Carl Hollabaugh included a couple of summer socials including a family attendance at a June performance of the outdoor musical "TEXAS"

for members, husbands and families; and a "bicycle treasure hunt" for July involving members and their husbands and concluding with an ice cream social. Plans were also discussed for a New Year's Eve social to be themed after the early 1950's.

In the federated council report it was noted that the council will continue to sponsor the Opportunity Plan participation as a main project and "strive to reinstate a home economics department at West Texas State University." The Federated Dinner, Nov. 4, will have a program with Mrs. Eugene Colgan of Heritage Woman's Club as the club chairman for the event. Mrs. Ronnie Gordon and Mrs. Clifford Baker will serve as co-chairmen for the Feb. 1 "game night" which is sponsored by the Canyon City Federated Council.

Brochures entitled "Now Is The Time" relating to the municipal building issue to be placed before voters here June 4 were distributed. Members were urged to vote at the election.

Reports on the Amarillo Symphony Guild were given by Mrs. Jim Perry as the arts report at the meeting which was attended by 21 members. Assisting Mrs. Reeves as co-hostesses were Mrs. Jimmy Marrs and Mrs. John Plank. Refreshments were served at the conclusion.

Backyard Picnic For Sue Hite Club

A backyard picnic, held at the home of Martha Goodman, closed out the year's activities for the Sue Hite Club.

Husbands of the members were special guests for the fried chicken dinner.

Stella Hill was welcomed as a new member of the club.

The officers for this year served as co-hostesses including: Virginia Allen, president; Beulah Miller, vice president; Edith Priddy, secretary; Evelyn Lumry, treasurer; Patsy Sommer, corresponding secretary; and Hazel Walsh, parliamentarian. Alma Perkins will serve as the vice president in the 1974-75 year. Other officers

will serve a second year. Ruth Henson and Lois Prichard are chairmen of the club special golden anniversary committees. These committees met in extra session to finalize plans. Saturday, April 19, 1975, was chosen as the day to honor all former Sue Hite members and recall achievements of the club.

Other committee members for arrangements for this special occasion are Margaret Cole, Kitty Foster, Zoe Henry, Audrey Jones, Lenna Parker, Alma Perkins, Edith Priddy, Eunice Haggard, Maudie Laycock, Lee Reeves, Adaline Barker, Ermy Cooper, and Virginia Allen.

St. Ann's Women Install Officers

Saint Ann's Women's Council met May 8 at the home of Cecelia Tenorio for an end-of-the-year social and the installation of new officers to serve for the fall.

Nancy Shehan was installed as president of the group. Other officers installed were Cecelia Tenorio, vice president; Vicki Stocker, secretary; Kelli McBride, reporter; and Cecelia Szyd-

loski, treasurer.

The installation ceremony was conducted by Susan Dolle and each new member was presented with a symbol of her office as a reminder of her duties. The outgoing president, Mrs. Ron (Marie) Kershen was presented with an appreciation gift for her year's service.

Refreshments were served following the installation.

HAPPY NEWS

Top State Honors For Community Efforts

By MARY NEAL HENRY
HAPPY JAYCEES WON the Giessenier Memorial Award for being the Outstanding Club in Texas in Division I, population up to 5000.

Yes, Happy Jaycees remain the number one club in the state... for two consecutive years now.

When Happy Jaycees have gained enough reputation for an Oregon state officer to mention them in an inaugural address and hold this club up as an example of the greatness of Texas Jaycees, evidence exists that Happy Jaycees definitely have put our "Town without a frown" on the map.

Happy Jaycees won First in Youth Assistance with Jim Whitlow as chairman; Second in Ways and Means with their Community Auction which Randy Johnson chaired; Second in Public Relations with the DSA Banquet with George Terey chairman; Second in Environment Improvement which included the Park Improvements and Dick Foster was chairman; Third in Publications which C. R. Wesley chaired; and Third in Human Relations for the Cancer Crusade which Dick Foster also chaired.

Plaques were given for first place awards and certificates were given for second and third place awards, one framed for the club and another for the chairman of the project.

Happy Jaycees also won a first place award, a gold jacket, for Internal Programming and a plaque for second place in External Programming.

Dean Bryan was awarded Outstanding Treasurer in Texas. Happy Jaycees were awarded Outstanding State Project on their Rest Stops, a State Project. Dean Bryan was chairman of both rest stops sponsored by the Happy Jaycees.

Rick Clayton of Texas, President of the United States Jaycees, spoke at the Friday luncheon. He spoke on the problems of America. Apathy is what plagues our nation. The need is to find solutions to these problems. Rick Clayton urged the Texas Jaycees to keep searching and hitting away at the problems until you find those solutions.

Dottie Foster won Outstanding State Jaycee-Ette President of Texas, Division I, population up to 5000. Happy Jaycee-Ettes also won First in Aid to Jaycees; Third in Civic and Third in Other Jaycee-Ette Activities.

Five Happy Jaycee-Ettes participated in the judging of scrapbooks. Of course, they had to judge other divisions. These

five were Skip Simons, Dottie Foster, Kay Venhaus, Judy Shipman, Joy Freeman, and Jeanne Johnson. Sixty Jaycee-Ettes judged thirty seven books and numerous resumes. The project took about twelve hours.

Jeanne Johnson won third place among forty seven Texas Jaycee-Ettes who entered "Have Your Say" competition. Jeanne spoke on the Jaycee tenet of their creed which states, "We believe in free men through free enterprise." Jeanne's subject was the beef industry and what government interference had done to it. (She'd probably won first or second, but one of the judges thought she spoke on too high a controversial subject. Needless to say, I'd like to meet the gentleman.)

Dottie Foster also entered "Have Your Say" competition and Kay Venhaus entered the "Feather Your Cap" contest, which is a written test type of competition in which your knowledge of Jaycees and Jaycee-Ettes is tested.

Happy Jaycee-Ettes seated four voting delegates, Skip Simons, Jeanne Johnson, Dottie Foster and Judy Shipman. 178 Texas Jaycee-Ettes representing 54 clubs were certified as voting delegates.

Rose Bell of El Paso was elected President of the Texas Jaycee-Ettes. Frank Ziebell of Richardson was elected President of the Texas Jaycees. I was privileged to meet Mrs. Ziebell. I explained to her what a Texas "CowBelle" was and problems of the beef industry. Mrs. Ziebell was a most congenial person.

Happy Jaycees attending the convention were Jim Whitlow, President of Happy Jaycees, Randy Johnson, Gary Barrett, Larry Simons, Dick Foster, Ronnie Johnson, Norman Freeman, Eugene Jackson, Vincent Venhaus, Gene Shipman and Tom Henry.

Happy Jaycee-Ettes attending the state convention in El Paso were Dottie Foster, Skip Simons, Jeanne Johnson, Joy Freeman, LaVenna Jackson, Kay Venhaus, Judy Shipman and Mary Neal Henry.

Jimmie and Don Ed Middleton of Wildorado went with the Happy group. Members of Amarillo, Hereford and Friona also went with the Happy group.

Several citizens gathered to see the group off to the State Jaycee Convention on Saturday evening. Those left behind included babysitters, mostly grandparents, Ralph Huseman keeping Gary Barrett's dog and Lloyd Venhaus to repair at least three family automobiles.

We traveled by chartered bus chauffeured by Marshall Hickman of Amarillo. Fredda Whitlow boarded the bus with

these words of farewell, "Take care of the president." We did. But he was never thrown in the fountain in front of the auditorium.

Bill and Cleli Blackburn attended the State Jaycee Convention. Bill is an Area Vice President in Jaycees and was installed at El Paso. Cleli is Area Vice President for Texas Jaycee-Ettes and is beginning her second term in that office. Cleli received a plaque for being the Outstanding State Officer of Texas. Happy Jaycee-Ettes' immediate Past President, Dottie Foster, presented Cleli with a corsage. The presentation was made in poetry composed by Skip Simons, present Happy Jaycee-Ette president. A charm of a smiley button with cutout face engraved "Happiness is..." Happy Jaycee-Ettes, 1973-74, was presented retiring president, Betty Tustitus.

When the tired but happy Happy group returned home, members of the community served Sunday dinner at the Happy Jaycee Hall. We had roast beef, ham, potato salad, red beans, jello salad, relish plates and ice tea. After the meal, Immediate Past Presidents Dottie Foster and Vincent Venhaus reviewed the awards brought home from State Convention and awarded individual awards to those who won them. Sharing the victory celebration were the Dean Bryans, James Stocketts, Dick Fosters, Don Ed Middletons, Lloyd Rahlfs, Vincent Venhaus family, Lloyd Venhaus family, Bill Whitlows, Ronnie Johnsons, Harold Starkeys, Gene Shipmans, Duane Stubblefield, Skip and Larry Simons, Tom and Mary Neal Henry, Jim Whitlow, Randy Johnson, Teddy Offield, Gary Barrett, Joy and Norman Freeman, Mike Uselding, and Fredda and Dale Whitlow.

ROY THOMPSON WON the Steer Roping at the Perryton Roping last Saturday. Tuffy also won a go-round in the calf roping. Wade Lewis won second in the steer roping; Kim Gripp, third; and Olin Young, fourth. Ronnie Stewart won first in the calf roping; Jimmy Frazile, second; Phil Lyne, third; and Tim Prather, fourth.

Each roper roped four calves and four steers. Four monies were paid in each event and for all eight head. Wade Lewis won the average on all eight head of stock; Olin Young, won second; Charlie Nobil, third; and Sonny Worrell, fourth.

HAPPY'S FIFTH ANNUAL Happy Junior Rodeo will be held May 31 and June 1 and 2. Night performances on Friday and Saturday will begin at eight o'clock and the Sunday

afternoon performance will begin at two. Stock will be furnished by Martin Rodeo Company.

Boys event for ages sixteen through nineteen include Bull riding, Bareback Riding, Tie Down Riding, Ribbon Roping, Chute Dogging, Open Team Roping (which means that you can enter as many times as you want to. It does not mean that anyone over nineteen can enter.) First place in each event will receive a buckle.

Girls events for ages thirteen through nineteen include Barrels, poles, flags, steer riding and goat tying. First place in each of these events will receive a buckle.

Boys thirteen through fifteen may enter steer riding, breakaway roping and poles. Buckles will be given first, second and third place winners.

Boys and girls twelve years of age and under may enter steer riding, barrels, poles and flags. Buckles will be given the top three in each event.

Trophy saddles will be awarded the All-Round Cowboy and All-Round Cowgirl. Boys, 16-19, must enter at least three events including one riding and one roping event to be eligible for all-round. Girls must enter three events to be eligible for the All-Round title and saddle. For information call Don Magness at 764-2445 or Wendell Sims at 558-3381.

DANCE TO THE music of Barry Thatcher and The Happy Mediums on Friday, May 31 and Saturday, June 1, at the Happy Jaycee Hall.

CATS AND DOGS can be vaccinated this Saturday afternoon from two to five o'clock in the Happy Fire Department for a fee of \$4. Dr. Markham of Canyon will be veterinarian. This is sponsored by the Happy Fire Department.

I shall never forget the day I took my two little dogs weighing a hundred pounds and sixty pounds each and Vivian Wesley was standing in line holding her big cat. It was exciting there for a while. This Saturday, May 25, is the day to have all pets vaccinated against rabies.

KAYE LYNN STUBBLEFIELD was honored with a birthday party to celebrate her ninth birthday. Angel food birthday cake, ice cream and punch were served to Angelique Henry, Tisha Selvidge, Melissa Null, Vicki Todd, Teresa Luker, Kim Foster, Joanna Hurst and Kaye Lynn in the Stubblefield home. The party then proceeded to Happy's Stephenson Park where

Becky Stubblefield and Bonnie Briscoe helped the little girls play games.

ANITA SCHONENBERGER WAS honored with a bridal shower in the home of Mrs. Gwynn McFarland on Saturday afternoon. Helene McFarland, Anita, Aurelia Schoenenberger, and Mrs. Wines, mother of the groom welcomed guests as they arrived. They were registered by Anita's cousin, Terry Acker.

The serving table was covered with a white cloth decorated in green and pink cutwork and centered with an arrangement of fresh pink peonies and baby's breath. Refreshments of cakes and punch were served from silver service by Becky Via, Deborah Jackson, Marcia Kay King and Sheri Henry.

Hostesses for the occasion were Helene McFarland, Ruth Sims, Kippa McFarland, LaNelle Todd, Wanda Bates, Pat Hargrave, Frances Hodges, Sandy Morgan, Orpha Burks, Mildred Fields, Marie Venhaus, Mark Acker, Faye Walker, Darlene Cole, Audrey Lee Hancock, Guy Faye and Becky Via, Mary Mayes, Leona Coile, LaVenna and Debbie Jackson and Jane Thornton.

BOTH WILLA JANE McManigal and Gwynn Tucek were honored as Club Woman of the Year by Jowell and Sunnyside Home Demonstration Clubs at the annual Randall County Tasting Tea last Thursday. Their pictures were in last Sunday's Canyon paper.

Willia Jane is serving as Secretary-Treasurer of the Jowell HD Club. Willa Jane is a native of Happy, a graduate of Happy Schools and Texas Tech. She married Jim McManigal, also of Happy. Jim is a graduate of Texas A&M and teaches in the Agriculture Department of West Texas State. This couple and their two a half year old daughter, Christy Suzanne, reside west of Happy and attend the Baptist church there. Willa Jane is also active in the Happy Chapter of the Order of the Eastern Star, serves on the board of the Happy Rainbow Assembly, and participates in the Woman's Study Club of Happy, one of their second generation members.

Gwynn Tucek was born in Plainview, reared in Tulia, married Weldon Tucek in Canyon in 1962, and has made her home in Randall County since that time. They have boys, eleven year old Lonnie and ten year old Dewayne, and three year old Melissa. The couple resides in a brick home which they built only a few years ago six miles east of Happy. Gwynn bakes and decorates cakes and cookies and even pies for special occasions. She is also the current president of St. Paul's Lutheran Women's Missionary League and helps every year in Vacation Bible School. Gwynn enjoys sewing, knitting, of course, baking, and she enjoys being outside.

THE UNION-SALEM HOME Demonstration Club met on Tuesday of last week with Lawana Selvidge in their new home near Arney. Judy Carlile, extension agent gave a program on wall covering and wall decorating and Care of House Plants. Others present were Carol King, Jean Fowler, Ruby Pearl McCaslin, Linda McDonald, Mary McCaslin, Betty Womack, Judy Thompson, Pearl Bishop.

MARY JANE MILLER traveled to Odessa on Wednesday of last week to visit relatives and bring her sister and brother-in-law back with her on Thursday. Mary Jane also visited Rosie (the former Rosie Miller) in Plainview on her way to Odessa.

HOMER KINSEY is still taking therapy. He may be moved to a rest home for a short time.

Charlie Morris is in the Veteran's Hospital for tests. Evans Holland is still in the hospital and more tests were run on Monday and Tuesday.

Dr. G. L. Robinson remains in Southwest Osteopathic Hospital and seems to be improved.

A CLEAN-UP DAY for the Wayside Cemetery will be Saturday, May 25. The annual memorial services will be held Sunday, May 26, to include a covered dish luncheon in the basement at noon and the program at 2 p.m. Rev. Keith Wiseman, pastor of the Methodist Church in Panhandle, will be guest speaker.

New spacious offices for Southwestern Bell

Southwestern Bell Occupies New Offices

Southwestern Bell's new business office at 1507-B 4th Avenue adds a bright touch to the growth of downtown Canyon.

The telephone company office moved to the new leased quarters on May 1 from the Southwestern Bell building at 1609 5th Avenue.

"We're very pleased with our new location and bright quarters," said Mike Patrick, manager for Southwestern Bell. "We hope that our move enhances the downtown area, and we trust that other businesses and merchants are pleased about our new location."

Patrick pointed out that the

airy quarters — about 2600 square feet of floor space — provide improved facilities for serving telephone customers.

A green and brown color decor brightens the phone company's quarters. Patrick said that some furnishings for the location have not yet arrived.

The business office area is paneled, and the floor is covered with a green and brown tweed-like carpet. In the storage and teletype area of the office, the walls are covered with a textured vinyl material.

Patrick also pointed out that the telephone equipment in the office is the new 10-button busi-

ness telephone set offered by Southwestern Bell.

Serving the 3500 telephone accounts in Canyon are four service representatives.

Mrs. Gene Crow has 31 years experience while Mrs. Jean Brazil is a 25-year veteran with the phone company. Mrs. Ozelle Dugan has been with Southwestern Bell for three years and Mrs. Trudy Phillips has two years' service.

The telephone business office is located in a portion of the building owned by McGlasson and Cox. Before remodeling, the building was a variety store.

Canyon's Churchlife

Rev. Ronald L. Clark of Amarillo, chaplain of the Northwest Texas Hospital in Amarillo and current president of the Ministerial Association in Amarillo, was the guest speaker at Sunday worship services of the First Christian Church of Canyon. His sermon topic was "The art of listening."

The local pastor, Terry P. White, was in Monroe, La., for attendance on the occasion of his parent's 50th wedding anniversary.

Tom Chapin will begin full time work as the associate campus minister at the Bible Chair on the campus of West Texas State University on June 1. His

duties will include working with students, conducting dormitory Bible Studies, helping coordinate devotional programs and organizing campaign work at the Bible Chair. This summer he will be teaching in the Firm Foundation School of Music and also in the Haskell Singing School.

Chapin will be working with Bob Shepard, director of the Bible Chair on campus.

A new class of Bible Study as an alternative to dialogue groups on Sunday mornings began with registration last Sunday, May 19, at the First Presbyterian Church of Canyon. The first class will meet May 26 with

Sue Park leading using the text "Understanding Scripture" by Jansen.

The Junior High United Methodist Youth Fellowship recently elected new officers including Terry Davis as president; Nancy Walling as vice president; Deanna Campbell as secretary; Kelly Irlbeck as treasurer.

"The Life and Teachings of Jesus" will be the subject of a summer study for college and university students at the Methodist University Center, 107 26th Street, meeting at 9:30 a.m. each Sunday.

Vacation Bible School dates for the First Baptist Church of Canyon will be June 2-9.

Church school workers from the First United Methodist Church of Canyon will be participating in a lab school, June 16-21, at Sacramento, N.M., with Janice Cranmer and Jo Jackson planning to attend from here.

The First United Pentecostal Church will participate in a nationwide "March for Missions" on June 1st. The 20 mile march will take place in Amarillo and is a program of the United Pentecostal Church, International. The proceeds obtained from participating sponsors will go toward assisting in missions, orphanages and christian education scholarships.

A swimming party at the Trail Motel from 2:00 until 5:00 p.m. Sunday was held for the Senior High United Methodist Youth Fellowship. The Junior High UMYF conducted their regular meeting and then both groups met together at 5:30 p.m. for a supper concluding the evening.

The patio of Mrs. A.K. Goodman was the setting for a salad supper Monday evening for the Business Women's Missionary Group and Sunday School Class of First Baptist Church of Canyon.

Twenty-four members attended the supper and program which was given by Lillie Hundley, a retired missionary residing in Canyon.

Nighttime's the right time.

For dialing and saving, that is. Our late-night, one-minute rate is in effect on Long Distance calls from 11 p.m. till 8 a.m. Seven nights a week. Just dial direct the One-Plus way. If you talk one minute, that's all you pay for. Not the usual three. Coast-to-coast, your first minute will cost just 35¢. Each additional minute is only 20¢. Phone a friend closer to home and your call can cost even less. The one-minute rate. It's the late-night way to save.

Life At Siesta

By EARLINE BENHAM
SIESTA HAS A new salesman, C. J. Dorris. He'd be glad to meet the residents at Siesta. Just go down and introduce yourself.

PARENTS NIGHT OUT went real well May 18. There were around 12 children present. Doris McKee and Faye Conner were sponsors.

BINGO IS SCHEDULED for the 31st of this month. Some nice gifts have been collected. Don't forget, and bring a friend. It's only 10 cents a game.

NEW SIESTA RESIDENTS include the following: Sue Ivy, Walter Williams Jr., Max R. Williams, James Williamson, John Ackley, Kenneth Ward, Hobart Woods, McCarter, Paul Qualls, Larry McPhillips, John D. Spicer, John Voyles and T. C. Weatherly.

ONE DAY, AS an experiment, I followed a smile. I saw a newsboy smile at a man to whom he sold a paper. I followed that man, saw him infect ten people in one square. He got on a

bus and smiled at the conductor. The conductor infected everybody on the bus. I followed that business man to his office. He spread the contagion of that smile to six people standing waiting for an elevator. He infected the receptionist at the information desk who continued to spread the infection. Later, I told the business man what had happened that morning when he caught that smile from the newsboy and we had a good laugh over the adventure. I told the story to 500 men at a Rotary Club luncheon — and started the contagion of smiles in a wider round. Try it!

CANYON STUDY CLUB OFFICERS installed Tuesday evening are, from left, Susan Dolle, president; Kathy Kendrick, treasurer; Judy Becknell, program chairman; Johnny Raymond, vice president; Elaine Peeples, reporter-historian; Nancy Boston, secretary; Shirley Slack, parliamentarian; Gayle Gray, project chairman; and Treasure Brasher, yearbook chairman.

Canyon Study Club Officers Installed At Salads Event

New officers for the Canyon Study Club were installed at a salad supper event Tuesday evening at the Baptist Student Union on the campus at West Texas State University.

Mrs. Don Max Vars, past president for the Top of Texas District of the Texas Federation of Women's Clubs, presided at the installation rites as Mrs. Don Dolle was installed president.

Other officers are Johnny Raymond, vice president; Nancy Boston, secretary; Kathy Kendrick, treasurer; Judy Becknell, program chairman; Gayle Gray, project chairman; Shirley Slack, parliamentarian; Treasure Brasher, yearbook chairman; and Elaine Peeples, reporter-historian.

The installation meeting was attended by about 15 "secret friends" which are sponsored by the club members throughout the year with remembrances on their birthdays and other special occasions. They were guests of the club and learned who had been their "secret friends" for the past year. Each guest was presented with a hand decorated soap bar, and potted geraniums.

Piano selections were played by Sheryl Bellah, Miss Bellah, a university student, discussed "music therapy" on the program.

During the business meeting, a check for \$250 was given to Royce Holladay to begin her studies at West Texas State University after graduation from Canyon High School.

Other projects receiving funding or approval during the business meeting were the Canyon City Library to receive \$100 from the CSC; and Project Playground sponsored by the Rex Reeves PTA will receive a \$200 benefit from the club. A report on Project Playground was given by Martha Sheets, chairman.

In Fire Group

Canyon Chamber of Commerce manager Roland Black was named recently as president of the Panhandle Firemen's and Fire Marshall's Association at their annual banquet in Amarillo.

Black formerly served as vice president of the organization. He is completing 10 years as a volunteer fireman with the Canyon Fire Department and has been secretary-treasurer for the department for 9 years.

Blackly Fargason was named secretary-treasurer of the Panhandle-wide association. The naming of Black and Fargason as officers marked the first time Canyon has been represented among the officers of the group.

Fargason has been a fireman for five years and was full-time fire marshal for one year. He serves as driver and operator of the local department's snorkel unit, and has been an instructor in rescue at the Lubbock Area Fire Conference for two years.

Gene Howe News

By TROYCE MULHERIN
GREETINGS:
MONDAY, MAY THE 27th is the night designated as Gene Howe night at Wonderland Park. Ticket sales will start as of this day at Gene Howe and continue on Friday and Monday. Sales will be made in the cafeteria before school starts. A letter setting out prices, etc., should have been brought home in anxious little hands by now. Call if you have any questions. Gene Howe PTA sponsors this evening of fun. The proceeds (the PTA will receive a percentage of the pre-ticket sales and a percentage of tickets sold that evening at the park) will be used for the betterment of our youngsters at the school.

Ok, yes! Tickets bought at the school will cost less than those bought at the park. Do plan on bringing the youngsters out. This is a kinda special way to celebrate the rapidly approaching end of school, as far as the youngsters are concerned.

THE AWARDS ASSEMBLY which was supposed to take place last Friday has been rescheduled to be held this Friday. Would seem that the ribbons didn't arrive as planned. No ribbons — no awards — no assembly. A week's postponement just adds to the anticipation of anxiously awaiting recipients.

THE SIXTH GRADE choir of Randall County Cancer Society concluded the current year with a luncheon last Thursday at the Yum Yum Tree Restaurant with Ruth Cross presiding in the absence of chairman, Allene Stovall.

In the officer election, Miss Stovall was re-elected as chairman with Mrs. Stephen Hines as vice chairman; Mrs. W.J. Wooten, Jr. as secretary and Col. John Childs as crusade chairman.

Elected as new board members were Mrs. Allan C. Olijen, Mrs. Jane Wheeler, Mrs. Betty Gunter and Mrs. Jack Haley.

John Childs, crusade chairman, reported that approximately \$5,000 of the \$6,000 goal had been received and the Swim-A-Thon brought in about \$500 itself. Additional fund raising activities are being planned for a later date.

Various local residents aided with the drive and were thanked by the chairman, Allene Stovall, and members of the board. Those participating were Lloyd Kurtz, memorials; Benny Cooper, advance drive; Mary Alice Hines, business drive; Jane Wheeler, residential; T. Paige Carruth, West Texas State University drive; Audre Seabridge, Swim-A-Thon; Trudy Phillips, mini-business; Mrs. Becky Hall, Randall County Home Demonstration Agent; and principals at the Canyon schools.

Glass Painting
Subject Of Meet

Glass painting was the topic of a workshop for the Palo Duro Porcelain Art Club of Canyon at a regular monthly meeting last Friday. The program was concluded with a completed piece of glass painted at the session.

The meeting was held in the home of Mrs. R. S. Francy at Happy with Mrs. Ernest White as co-hostess.

The business session was presided at by Mrs. Lewis Morrison and included reports from each of the committee chairmen. Next meeting of the group will be June 21 in the home of Mrs. Ora Morgan at Hereford.

Attending were Mesdames Emzy May, J. M. Justiss, Lynn Bennett, Jimmie Christal, Lewis Morrison, Harvey Todd, Garland Toney, Sam Morgan, Joe Kendall, B. E. Robertson, C. D. Taylor and the hostesses, Mrs. Ernest White and Mrs. R. S. Francy.

'TEXAS' Cited In Advertisements

The annual summer musical-drama "TEXAS," is featured in two advertisements in news media of Texas and other neighboring states.

The advertisement in media in surrounding states touts the musical and gives a brief resume of the story line.

More than 300 Texas newspapers use a column on travel information which contains data on the summer production in Palo Duro Canyon's Pioneer Amphitheatre.

"TEXAS" will run from June 19 to Aug. 24 during its ninth season.

Assistant V.P. At First National Bank

Larry Wall was named as assistant vice president at the First National Bank in Canyon. He was named to this position Monday.

Wall, who presently attends West Texas State University in the evenings, was manager of the downtown Amarillo office of Southwestern Investment Corporation. He had been employed by SIC for 15 years. For the past 10 years, he has served as manager.

Wall, originally from New York, moved to Texas in 1954.

Presently, Wall, his wife and two sons live at 4706 Shawnee in Amarillo. He stated that he will

Wonderland Park Nite Monday

This was a two-day camporee in which five districts took part. Carl Johnson and Charlie Sackett helped with the setting up of the camp and spent the first night with the troop.

CONGRATULATIONS ALSO ARE in order for Lisa Erwin and Janice Delaney. These young lovelies (former Gene Howe students), were recently elected by their classmates to serve as cheerleaders for the eighth grade at the junior high in Canyon.

Traci Bufkin, Terry Rudd and Jeff Weisbart were also recently elected by their peers to serve on the Student Council for the coming school year. These youngsters will be eighth graders this coming year. Congrats!

A HAPPY BIRTHDAY to D'Lynn Mitchusson who celebrated last Monday, the 20th. May your birthday wish come true, young lovely.

A great big happy to Bill Phillips, who birthdays on the 21st of this month. Many more, sir.

A SUMMER CLASS in upholstery is well into the final stages of the planning process. This class will be held on Tuesdays and Thursdays of each week at Gene Howe. Time is from nine in the morning 'til noon.

These classes will be held concurrently with the regular summer school classes. (That way the moms and the youngsters will be learning at the same time). The upholstery class will run for five weeks starting on June 11th, taking a day off around the 4th of July and ending on July 16th.

SPEAKING OF CLASSES — the adult beginning painting classes at Gene Howe are really poppin'. Everybody's creating to their hearts' delight. (A few anguished groans occasionally

are to be expected, aren't they?) For the past several lessons a very charming lady by the name of Mary Frances Van Pelt has been assisting Mrs. Brantley.

Mary Frances is married to W.T. "Chop" Van Pelt, who is a football coach at West Texas State. They have two sons. Chip is a freshman student at West Texas. Chip plays football and is attending the university on an art scholarship, which adds up to a very interesting young man! Son Eric is a sophomore at Canyon High. Eric also plays football and recently won a gold medal in a national art competition!

Mary Frances teaches art at Stephen F. Austin in Amarillo. The Van Pelts have lived in Canyon about three years, moving there from Odessa.

Her real love (as far as art is concerned, that is) is pastel oil portraits. She has and does work in other mediums and fields, but Mary Frances really enjoys doing portraits most of all. We greatly appreciate the fact that she has agreed to take time out from "at least three football games" each week, and her school and home duties, to come and cheerfully give us amateurs a helping hand with our creations.

ANN PALMER'S INTERIOR design class went on another field trip last week. This time though it was to Ann's home in Canyon where she shared all the samples she had so generously gathered up for her students. Ann is also preparing to open her own gallery in Canyon. She will be handling work by amateur area artists and craftsmen and women. Should be a lot of fun and a rewarding endeavor. We wish her the very best.

THANKS FOR THE use of the hall.

ENJOY A GREAT WESTERN TRADITION THIS SUMMER.

Food cooked outdoors over an open fire... is one of the West's great traditions. Fresh air, open flame and the aroma of good, hearty food combine to make a meal an experience.

Start your own cookout tradition this summer... with a convenient, dependable gas grill from Pioneer Natural Gas. You get the same delicious, outdoor taste as with a charcoal grill — but without the fuss and bother.

Chances are you'll be spending more time at home... so why not arrange to make that time more enjoyable with the addition of a gas grill to your patio. Call Pioneer or ask any Pioneer employee for information on a complete line of gas grills.

A gas grill is a natural for the Natural Energy Home.

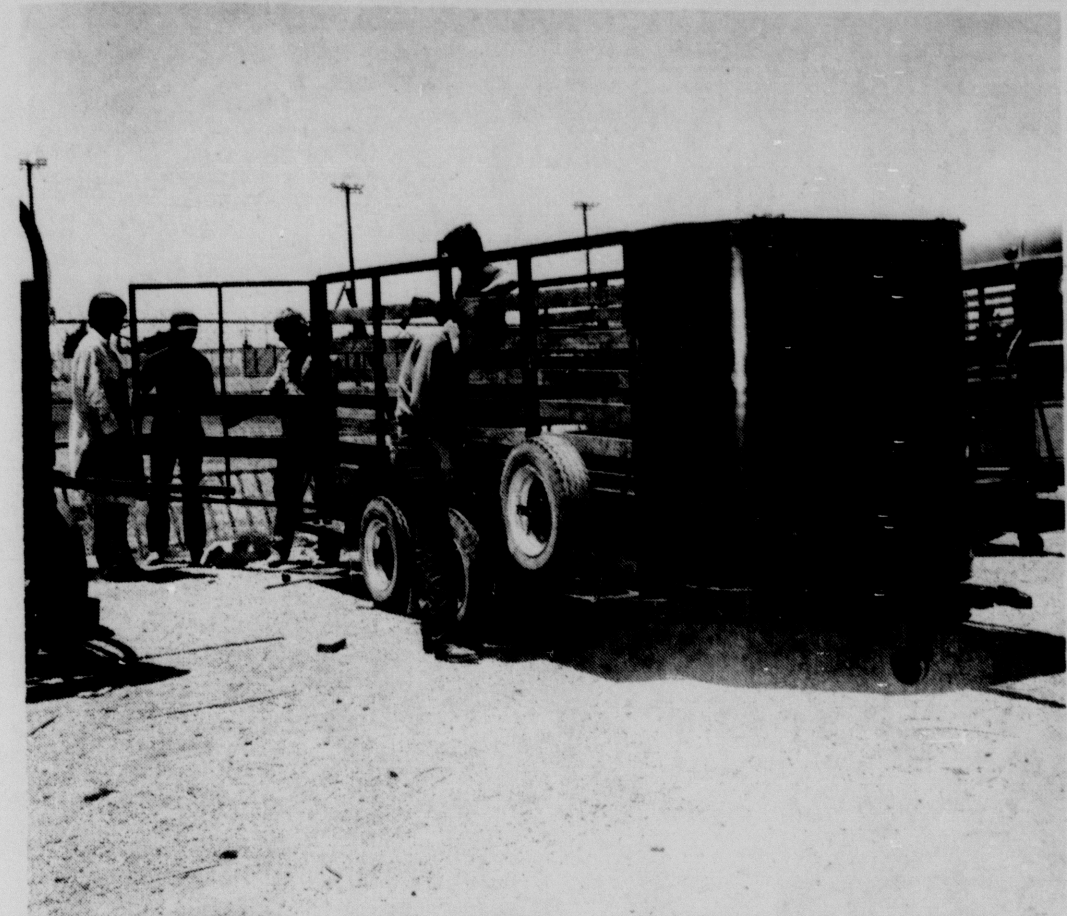

By moving the cooking to the patio, you move the heat out of the house and thereby ease the load on your air conditioning system. Consequently, a gas grill can save money and conserve energy.

Agriculture Co-op class at Canyon High School puts the finishing touches on a trailer that they have built this year. During the year

they have carried out several major and minor projects during their course of study.

Coop Class Has Several Projects

Members of the 1973-74 Agricultural Co-op Class at Canyon High School have been busy with projects this past school year, according to Ron Davis, Ag. advisor at CHS.

Projects this year include painting and rebuilding the bed of an old grain truck, building side boards for the portable welding trailer owned by the FFA chapter, rebuilding and painting two stock trailers, building

three feeders, building two fold-up trailer hitches for grain trucks and building locking doors for parts and storage cabinets owned by the chapter.

Many other small projects have been undertaken by the class. These include initial signs for the tops of mail boxes, making spurs, and painting all kinds of shop equipment.

The class also built a drop-down trailer hitch for two four-wheel drive pickups.

Members of the class are Paul Batenhorst, Randy Dugan, Ricky Dugan, Ronnie Brannum, Jeff Carlile, Willie Hales, Greg Hartman, Dennis Howell, Gary Kuhlman, Mike Kelly, Brent Leith, Lyndal Lockhart, Randy Roberts, Mike Tow, Pat Trammel, Arthur Lopez, Hoyt Turner, Doug Harper, Eddie Wilson and Don Renshaw. There was one girl in the class this year, Jan Robinson.

Lion's Sponsoring Rubber Bridge Event

Canyon Lion's Club will sponsor its first semi-annual Rubber Bridge Tournament May 25-26 with proceeds to benefit the group's Crippled Children's Camp at Kerrville.

The double elimination tournament will be held in the Activities Center at West Texas State University and entry forms are available from local Lions or by writing the Canyon Lion's Club, Box 548, Canyon 79015.

The first 128 pairs getting their entry fee of \$10 to the Lions will participate in the elimination events May 25 from 1 p.m. until 7 p.m. Saturday, May 26, will be the final elimination for winners beginning at 2 p.m.

Local entries may get their entry blanks from members of the Lions including Dean Weldon Trice, 656-2742; Ken Thompson, 655-7222 or 655-3549; Frank Castleberry, 656-2296; or Jim Rogers, 655-7121.

Cash prizes will include \$200 to the grand champion pair in first place; a \$100 second prize; a \$75 third prize; a \$50 fourth prize; and \$20 each pair for fifth, sixth and seventh place. An additional \$50 prize is available to the first undefeated pair in addition

to door prizes that may be won by any pair of players.

Free coffee and donuts will be served by the Lions during the tournament which is open to both men and women bridge players.

WTSU Places Fourth In MVC Track Meet

West Texas State's Buffaloes scored heavily in the field events this past week end in Denton to advance to fourth place in the Missouri Valley Conference track and field championships.

That was the highest finish for the Buffaloes since they joined the conference race in 1971. They had taken a second place finish in the 1971 indoor championships, but had placed no higher

than fifth in other outdoor MVC meets.

The Buffaloes got a pair of first place finishes from weight man Dennis Briggs. The Seminole senior put the shot 55-8 1/2 to win that event Sunday and hurled the discus 173-11 for first place Monday.

Briggs' shot put toss was the second longest in MVC history and was also a school record and a personal best.

"I have thrown the discus 183 feet and that was the conference record," said Briggs. "I guess I pressed too hard to get that mark and fell short. I was, however, pleased with my shot put performance."

Marvin Self earned a third place finish in the discus and Mike Delaney took sixth. In the shot put, Charlie Haddad had his own personal best of 52-8 to place third. Self was fourth.

The Buffs' Mike Walker vaulted 15-0 for third place and Tommy Humphries was fifth with a 14-6 vault. Jeff Nunn, Tucumcari freshman, earned a sixth place in the javelin throw.

The Buffs placed third in the 440-yard relay and Rick McGuire came from well behind to earn a fourth place finish on the anchor leg of the mile relay.

Terry Penn and Gary Six tied for fourth place for the Buffs in the high jump with 6-4 efforts. Penn placed sixth in the high hurdles and Larry Marlar was sixth in the 440-yard dash.

Fund Established

Money is being collected at the First National Bank and the West Texas State Bank to assist Mr. and Mrs. Keith Stevens whose home was destroyed by fire two weeks ago. They lived about one mile east of Canyon on the Palo Duro highway.

According to Mrs. L. C. Kelley, the Stevens lost all that they had and had no insurance coverage.

Registration Set For Canyon Summer Recreation

Diving and archery have been added to the Canyon Summer Recreation Program which will be registering participants on Saturday, June 1, from 10 a.m. to 11:30 a.m. at the east end of the Activities Center at WTSU. The program will begin June 17 and conclude July 25.

Activities to be offered this year include swimming, diving, twirling-cheerleading, arts and crafts, drama, tennis, trampolining-tumbling, golf, bowling, men's slowpitch softball and archery.

There is a \$5 fee for each participant. Children may participate in as many activities as they wish.

Instruction will be given by college students who are specialists in each area, according to A.J. Luquette, director of the program.

All activities with the exception of swimming will be offered at the WTSU campus. Swimming will be offered at the city park swimming pool. All activities are scheduled for Monday and Wednesday or Tuesday and Thursday.

Times for swimming and diving are 10:30 a.m. to 11:15 a.m., 11:15 a.m. to 12:00 noon, and 12 noon until 12:45 p.m.

Three activities are scheduled for the old administration building at WT. These include arts and crafts, drama and trampoline and tumbling at the old administration gym. Time for arts and crafts will be 3 p.m. Drama will begin at 4 p.m. Trampoline and tumbling will be offered at 1:15 p.m. and 2 p.m.

Cheerleading and twirling will be offered at 2 p.m. at the trees in front of the old administration building at WT.

Tennis will be offered at 5 p.m. at the WTSU tennis courts. At the WTSU bowling lanes, bowling will be offered at 5 p.m.

Golf will be offered at 3 p.m. for those 10 years of age and older just north of the Activities Center at WT. Archery for those 12 years of age and older will be offered at 4 p.m. just north of the AC.

Physical fitness will be offered at 2 p.m. at the WTSU Activities Center. It will also be offered at 7 p.m. at the high school gym.

Men's softball will be played on Monday, Tuesday and Thursday evenings at 6 p.m. and 9 p.m. These games will be played at the WTSU Intramural fields.

WTSU Dominates MVC Tennis

West Texas State University dominated the Missouri Valley Conference spring tennis championships like they have never been dominated before.

The Buffaloes of coach David Kent scored 33 of a possible 35 points and won six of seven championships to capture the tournament this past week end in Denton by a landslide.

The only loss in the finals suffered by the Buffaloes was when Tulsa's Layn Phillips edged West Texas State's Bill Marsh, 6-2, 1-6, 6-2.

Marsh, a senior from Arkansas City, Kan., came back to team with Reno, Nev., freshman Steve Johnson and rip North Texas State's Mark Floyd and Jerry Garcia in the number one doubles finals, 6-1, 6-1.

"Never has a number one doubles team dominated another doubles team in the conference finals like Bill and Steve took North Texas apart," said Buffalo coach David Kent.

The Buffaloes won their third conference championship in the four years they have been members of the MVC. They earlier won team titles in 1971 and 1973 and placed second in 1972.

Other Buffalo championships were by Dale Corbin and John Phillips in number two doubles, Corbin in number two singles, Phillips in number three singles, Johnson in number four singles and Brett Hall in number five singles.

The victories by Phillips gave the Snyder senior six conference championships in his four years at West Texas. He won number four singles and number two doubles as a freshman in 1971. He won number three singles and number two doubles each of the past two years.

The pair of wins by Corbin give him four MVC titles. The Wichita Falls senior won number four singles and number two doubles in 1972.

"I was especially pleased that Bill (Marsh) was able to win a conference championship for us as he has been such a key leader during his two years at West Texas," said Kent of the player who transferred to WT from Arkansas City Junior College.

hole tourney with a one-under-par 209 Sunday at Denton on the North Texas State University Golf Course.

During his final round Boeka used only 24 putts. He sank a 36-foot putt on number six for another birdie three.

"I didn't hit the ball very well from tee to green, but I did manage to keep from becoming discouraged and I chipped and putted super," said the happy Boeka.

The Buffaloes, as a team, ripped off a one-over-par 281 score on the final day to jump from sixth to fourth place in the conference race. That is the highest the Buffaloes have finished in their four years as conference members.

Other Buffalo scores Sunday were a 70 by John Hood, 72 totals by Max Tenorio and Andy Lawler and 79 by Randall Burton. The round by Burton didn't count in the team total that day as only the low four scores for each 18 holes counted.

North Texas State won the team crown with an 850 total for the 54 holes. Wichita State was second at 855. New Mexico State was third at 873 and West Texas had 879. Other scores were Tulsa 880, Drake 892, Louisville 901 and Bradley 920.

Complete scores for other Buffaloes for the tourney were Lawler 224, Hood 225, Tenorio 227 and Burton 231.

Diving Classes Now Enrolling

Classes are now being formed for those who wish to participate in the West Texas Diving Team according to Peggy Hodges, coach for the team. The first class will meet at 10 a.m. June 3.

The class will meet each day for one hour and the cost is \$20 per month. Coaching will be done on a personal basis. The WTSU pool and all the equipment in the activities center will be used. Class will be limited to seven per hour.

All ages are invited to join according to Miss Hodges.

Miss Hodges was a competitive diver for three years in high school. During these years she won first place in her region and made both all-region and all-state teams. She has coached Amateur Athletic Union diving each summer in Midland since her high school graduation.

Those interested in joining may write Miss Hodges at Rt. 1, Box 379, Canyon, TX, or call 499-2253.

Schedule Announced For Fall Football

Ron Mills, football coach at Canyon High School, has announced the fall schedule for the three football teams that CHS will field come this next fall.

Mills pointed out that the varsity schedule will be filled with 4-A schools during pre-season. The only 3-A schools to be played will be during regular district games.

For the first time in CHS history, an all sophomore team will be fielded. There are eight games on the sophomore schedule. The junior varsity and the varsity will play 10 games this fall.

Games to be played are:

Bindweed Problem Cited By Locals

The Palo Duro Soil and Water Conservation District will feature a reminder to area landowners in their next official publication about the dangers of bindweed, which has infested many fields in the area.

Bill Casteel, Soil Conservation district conservationist, said many homeowners in Canyon are plagued with bindweed and the pesky plant can also be seen

on many local vacant lots.

He said the plant is also a problem on many county roads and in many farmers' fields.

Control of the plant can be accomplished through limited means, Casteel said. Some advocate sterilizing the soil to kill the weed while others have managed to control the weed enough to continue to grow crops.
